Apologies for absence

All councillors were present. Ms. Taylor-Brown was unable to attend.

Class suggestion boxes

It was discussed how each class needs to have a box in their classroom for suggestions to be added. Everyone's ideas are really important and at each School Council meeting, councillors will be asked to bring along their boxes and to talk through ideas submitted.

As a group, we covered what the box might look like and how last year some of the boxes ended up being quite elaborate. For example, 6B's box had pouches on the sides for storing small pieces of paper and pencils.

Councillors agreed that before the next meeting boxes will be added to classrooms.

Some children had already created a box or there was the box from last year already in place. A few ideas were shared that had been added to the box this September. These ideas will be added as agenda items at the next meeting.
