Tuesday 1<sup>st</sup> September 2020

Dear Parents/Carers,

## Transition Applications

We realise that we are writing to you about transition to secondary school before the children have even begun in Year 6, but there are some important hurdles to jump now and we wanted to clarify the position.

The 11+ (selection test) will be held on Saturday 7th November and Monday 9th November. If you did not register for the test and now wish to do so, you can apply by post to the CSSE, by September 30th.

Hopefully all the children entering the test completed the pack of papers which were collected from school back in July. If you do register, the CSSE will send you all the details you need for taking the test, the day, the time and relevant on-the-day registration details, including Health and Safety details concerning Covid-19.

If you want your child to register for a sports or performing arts place at Eastwood Academy, please complete a SIF (supplementary information form) and return by September 1st. SIFs for St Bernard's or St Thomas More must be returned by October 31st.

You must complete your list of preferences to Southend or Essex by October 31st. This is the date of closing for your form. Please do not miss this date.

This year the results of 11+ will come on December 3rd, so when you put your preferential list together, it is essential that you put your local (catchment) area non selective school on the list. Remember the computer system will look at your preferential order. You can name any schools you wish in Southend or the surrounding area.

Also with this letter is the information from Southend. If you live in Essex, please call the appropriate number in Chelmsford to ensure you get the correct information.

If you have any concerns, please call or email the school office.

Yours sincerely,

*C. McClay*

*S. Roche*
