Wednesday 03rd June 2026

Dear Parents and Carers,

Year 3 Educational Visit

As part of our Geography topic, we are planning a visit to East Beach. This will give the children the chance to explore the area that is right on the school's doorstep and carry out fieldwork in their local area.

This will be a walking visit to East Beach on **Thursday 25th of June**.

During this visit, our aim is to undertake some geography fieldwork by mapping the route from school to East Beach, using compass points to help us follow directions. Whilst at the beach, we will be comparing the difference between human and physical features.

On the day of the visit, your child must wear school uniform on top (jumper/cardigan/t-shirt) but may wear non-uniform trousers/joggers. They may also wear trainers or other sensible walking shoes.

Depending upon the weather, please apply a long lasting sun cream before school and provide your child with a sun hat and water bottle. If the forecast indicates that it may rain you may want to provide your child with a waterproof jacket.

We will be leaving school in the morning and returning to school in the afternoon. As such, we will be eating lunch at the beach. Please ensure your child has a packed lunch with them on the day. School policy for healthy school meals still applies, so please no fizzy drinks or sweets. If your child is eligible for free school meals and you would like them to have a school packed lunch, please call the school office to arrange this.

Yours sincerely,

Miss Spooner and Mr Smith
Year 3 Teachers
