

## Welcome to your new class - 6G

In September we will be welcoming you back to school and the adults in your class will be-

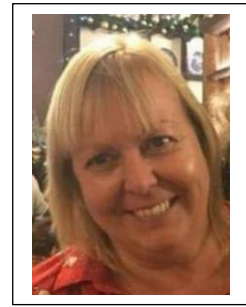

Miss Gibbons

Mrs Shuttleworth

Mrs Esdaile

Mrs Brady

The day will start with you coming straight into class through the door to sanitise your hands and start your early morning work.

At 9am Miss Gibbons will take the register.

During the morning our main lessons will be maths and English in our own classroom.

We have allocated toilets for our class, so if you need to wash your hands or use the toilet just put your hand up.

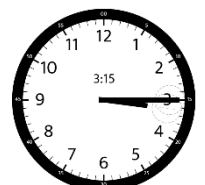

Our break time will be at 11.15am on the KS2 playground.

We will go to the KS2 hall for lunch at 12.40pm then go outside to play on the KS2 playground.

In the afternoon, we work in our classroom learning our foundation subjects. On a Monday afternoon we will have computing with Mrs Walton in the computing suite. On a Friday afternoon we will have music with Mrs Rollingson and PE with Mr Webster so don't forget your PE kit.

At the end of the school day we will leave from our classroom door to go home.
