

## Friars Primary School & Nursery RE Curriculum Map

RE is usually taught as a stand-alone subject although it is integrated into English, Art, DT and history lessons where possible. Following the Agreed Southend Syllabus for RE, Friars staff begin in-depth class discussions and activities using artefacts, guest speakers, off-site visits, videos, pictures and music as an inspiration. These help to educate our children in the many traditions and religions, encouraging tolerance, interest and mutual respect for all beliefs.
