Dear Parents/Carers,

Breakfast Club

We are currently exploring how we can safely restart the school's Breakfast Club. We obviously have to work within Government guidance and there is much to work through to get it back up and running. It would be likely that the club would run from 8am each morning.

As you know, your children are now in class or year group bubbles. We would like to avoid creating new, additional bubbles with Breakfast Club. This means that our plan will require more space to accommodate these separate groups. As a result, we will certainly have to **limit numbers**.

Breakfast Club will look quite different. Apart from each bubble sitting separately, children will have to stay seated at their tables from 8am until they head to their classrooms. After eating breakfast, the children will take part in table-based activities such as drawing and colouring.

To help us with our planning we need to ask parents and carers of Year 1 to Year 6 children who would need this provision to complete a short survey. The survey can be found at the link below (you can click on the link in the SchoolPing message) or by scanning the QR code:

or

If we can restart our Breakfast Club this autumn, Reception children will be offered spaces at the beginning of the spring term.

Please do only complete the survey if you feel you would need your child or children to access this provision. If your child or children can have breakfast at home please do not fill in this survey.

Yours sincerely,

C. McClay
