Dear Parents and Carers,

We are excited to share some wonderful news with you! Starting from September 2026, we will be introducing an additional breakfast club for our students. This new provision will run from 7:30 am to 8:00 am, allowing families greater flexibility in the morning routine.

As you may know, we currently offer a free breakfast club from 8:00 am to 8:30 am, which has been a fantastic success and will continue to be free for the time being. The new breakfast club from 7:30 am to 8:00 am will be chargeable, with the fee yet to be confirmed. We are committed to ensuring that this club meets the needs of our families, and we appreciate your understanding as we establish the details.

To ensure we have adequate staffing and resources for the new breakfast club, we kindly ask that you complete a short survey regarding your interest in this provision. Your feedback is invaluable and will help us gauge the number of children who will be attending.

We look forward to providing our students with even more options to start their day in a positive and nourishing way.
