

## Welcome to your new class - 2B

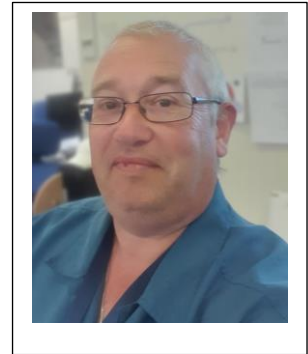

In September we will be welcoming you back to school and the adults in your class will be-

Miss Baylis

Miss Johnson

Mr Latham

The day will start with you coming straight into class through the Year 2 gate to wash your hands then start your early morning work.

At 9am Miss Baylis will take the register.

During the morning our main lessons will be maths and English in our classroom.

When you need to wash your hands or use the toilet during the day we have toilets in our classroom so just put your hand up.

Our break time will be at 10.30am on the KS1 playground.

We will go to the KS2 hall for our lunch at 11.45am then go outside to play on the KS2 playground.

In the afternoon, we will work in our classroom learning our foundation subjects. On a Monday afternoon we will have music with Mrs Rollingson and PE with Mr Webster so don't forget your PE kit.

At the end of the day, we get our coats and bags from the cloakroom. When we are called, we leave the classroom by the side door.
